ADULT 3: Co-ed—All ages

Teacher: John Stewart

Topic: Throughout this study, we will be taking a look at what Philippians can teach us about the DNA of Joy: what joy truly is, how we can find it, how we can keep it, and how we can have it in all things. This wide-ranging study will encourage you and your group that joy is not the same as happiness—it is more stable, more permanent, built upon a sure foundation.
