Topic: Teach Us How to Pray

In this 7-wk. Life Group series, we will be examining The Lord's Prayer, & how it can be understood as a pattern of how to pray. When analyzing this prayer, we realize that Jesus is very interested in our hearts when we pray. As we learn how to pray, we see that Jesus perfectly addresses all areas of life that must be developed to allow Him to mold & shape us into the people He created us to be.
