The Armor of God

The key to this best-selling Christian pamphlet is the insights brought by Paul's knowledge of a Centurion's armor. Having the correct Armor of God picture in mind is important to accurately teaching and understanding this portion of Scripture.

God describes each piece of armor, its historical background, and its application to our spiritual battles today. The Apostle Paul knew how important it was for believers to understand the provision of spiritual armor that God made for them. Paul's teaching to the Church at Ephesus was born out of firsthand knowledge of Roman Centurions' armor. He saw them up close on many occasions.

Rebuild by Kathleen Nielson 8 small-group sessions

Nielson's study takes us into a compelling story! The Book of Nehemiah tells of God's people returned from exile and rebuilding the broken-down city of Jerusalem. More than that, it tells of God's people being rebuilt according to His Word. As we watch the leader Nehemiah direct the rebuilding, we're watching the Lord God direct history according to His promises - all of which were fulfilled in the promised Christ who came from this people's seed.

This study of Nehemiah helps us understand our history as believers in Jesus Christ. It helps us learn to walk in faith according to God's Word, even in times of weakness and rebuilding. Eight lessons draw us into the text, giving background and asking questions that lead us to make fruitful and personal observations. Through this study we peer into the dramatic story of God's people sustained by God's Word, at a crucial point in salvation history.

Renovate: Building A Life with God. 6- small group sessions

In *Renovate*, author and pastor Jacob Armstrong uses the Book of Nehemiah to explore the physical and spiritual renovation experienced by the nation of Judah. Nehemiah knew that his plan for renovating the wall and gates of Jerusalem would be hard work. But equally hard would be the spiritual renovation of the Jewish people as they returned to their homeland. Thankfully, spiritual renovation is not a do-it-yourself project. We need God's great power working through us to renovate our lives by the power of the Holy Spirit.
